RFP Submission Links

Navigate to the SmarterSelect Portal Link for the specific proposal you intend to submit. Below are the links:

[Pre-Submittal Questionnaire](#)

[CFH Request for Proposal \(RFP\)](#)

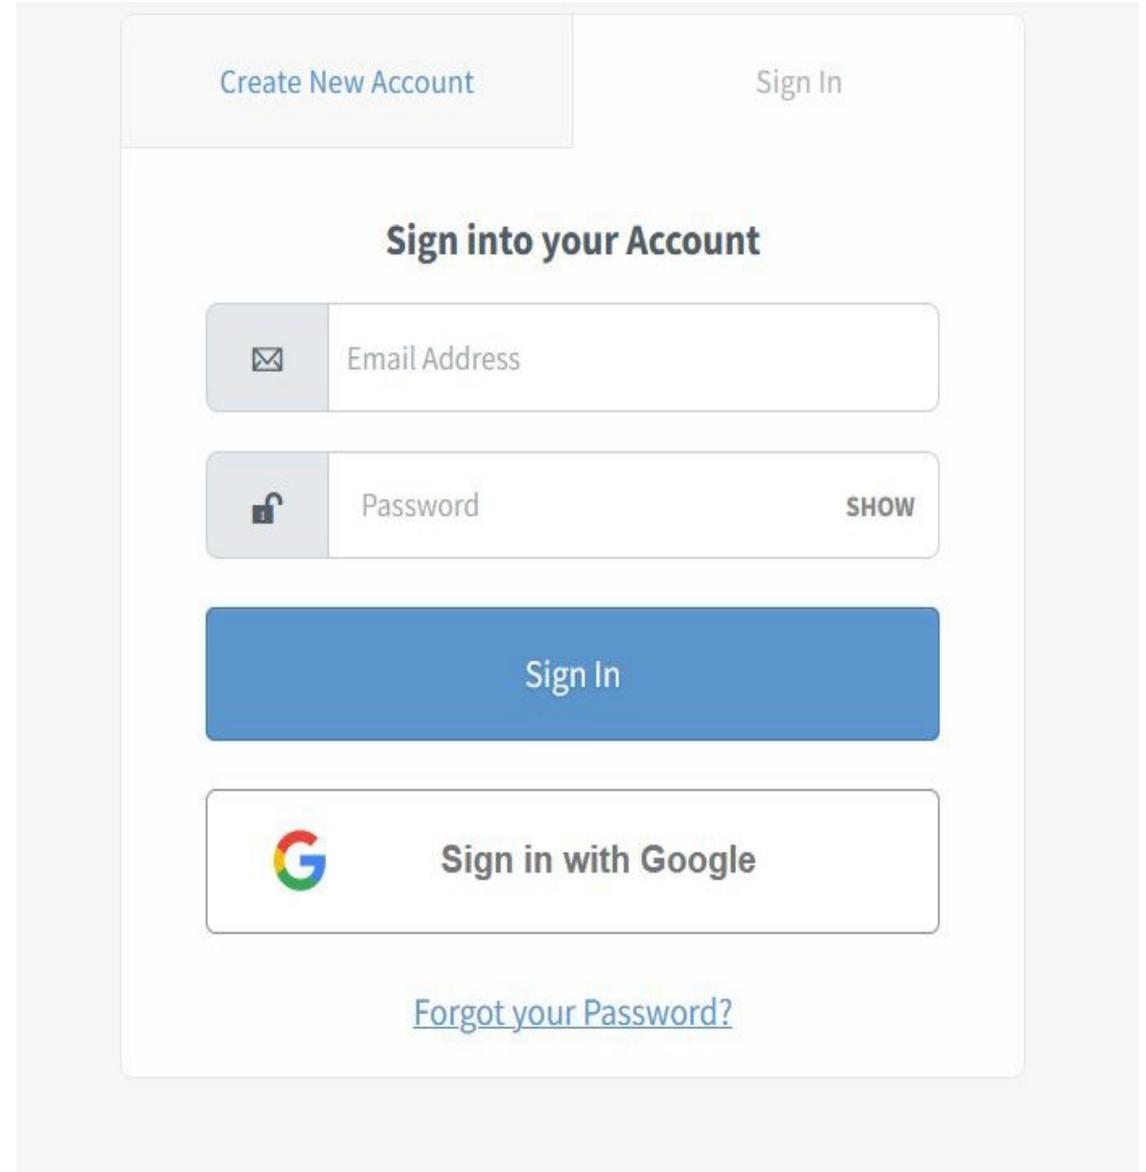

Please note, these links can also be found in the RFP Packet on our website.

Creating an Account

The first thing you will need to do within the Smarter Select platform is to create an account.

Please be sure to use an email address that you check regularly. The email you put in the submission is the email we will use to communicate with you.

The screenshot shows a user interface for account management. At the top, there are two tabs: "Create New Account" (which is active) and "Sign In". Below the tabs, the heading "Sign into your Account" is centered. There are two input fields: "Email Address" with an envelope icon on the left, and "Password" with a lock icon on the left and a "SHOW" button on the right. Below these fields is a large blue button labeled "Sign In". Underneath the button is a "Sign in with Google" button featuring the Google logo. At the bottom, there is a link that says "Forgot your Password?".
